RECOMMENDATIONS

Brides should see a Studio 417 stylist for at least two color services prior to their wedding day; the first approximately eight weeks out, and the second service approximately two weeks prior to the wedding day. Your Bridal Trial can be completed at either visit, but please work with our wedding coordinator to make sure your services are booked appropriately. She can also make recommendations for the best stylist for your hair type and desired color. Brides will receive 20% off two color services* prior to their wedding day. Brides may also receive 20% off a full set of eyelash extensions, recommended approximately 1-2 weeks prior to the wedding day.

The bridal party may receive 20% off* one of the following services, prior to the wedding. A coupon code will be given to the person booking the wedding, upon paid deposit.

*Haircut

*Cut and Color

*Highlight and Cut

*Balayage and Cut

*NovaLash Eyelash Extensions

*20% off any color cut and service (highlight, balayage, color). Discount taken off of full price services only. Offer valid only after wedding deposit is paid. Once this discount is redeemed, the wedding deposit is nonrefundable. One per person please. Cannot be combined with other discounts.
