Studio 417 is proud to be the ONLY Ouidad Certified salon in Missouri!

We have 6 Ouidad (We-dad) Certified stylists who specialize in curly hair cuts, colors and styling. Ouidad's Carving & Slicing is a curl specific cutting technique that removes the bulk that causes "pyramids." This cut enhances the natural curl pattern to achieve well-defined ringlets that fit gently into each other like puzzle pieces. A Ouidad stylist analyzes each client's unique curl pattern and texture, listens to their story and desires, and formulates a tailored plan to optimize their curls.
