Studio 417 is proud to offer the industry's most premium lash extensions, NovaLash. Please visit their website for additional information on their products.

**NOVALASH**<sup>®</sup>  
EYELASH EXTENSIONS

**Eyelash Extension Consultation:** 30 minutes with an extensionist to discuss your desired lash look. Browse our lash menu and visit about your beauty routine, maintenance and care for your lashes. Consultations are not required. \$30 (Must be paid at time of booking)

**Full Set of Lash Extensions:** NovaLash eyelash extensions are meticulously applied lash-by-lash, bonded with award-winning medical-grade adhesives, by certified professional NovaLash stylists to create longer, fuller lashes. They are weightless, wonderful, and truly transformative. See our full lash menu (in salon) for all of the looks that can be created by our extensionists! A Classic Full Set of lashes is included in our starting price. \$150+

Application takes 2 hours

**Eyelash Extension Touch Up:** This is a one hour appointment with an extensionist to reapply lash extensions that have shed. Shedding of extensions occur along with your natural lashes. Regular touch ups keep your natural lashes and lash extensions clean, tangle free, filled and looking their best. Our extensionist will recommend a maintenance schedule for you, but a one-hour, monthly visit is typically prescribed. \$50

## Waxing & Tinting:

**Brows:** The best in brow shaping and maintenance. We use a very gentle strip wax for hair removal and all waxing services are performed by our professionally trained and licensed staff. Makeup service can be performed directly after waxing. \$15

**Chin:** We use a very gentle strip wax for hair removal and all waxing services are performed by our professionally trained and licensed staff. Makeup service can be performed directly after waxing. \$15

**Lip:** We use a very gentle strip wax for hair removal and all waxing services are performed by our professionally trained and licensed staff. Makeup service can be performed directly after waxing. \$15

**Full Face:** Hair removal on two or more areas of the face. \$30

**Brow Tinting:** Brow Tinting fills-in and defines brows to help frame the face! Your tint is custom blended with professional color. All tinting services are performed by our professionally trained and licensed staff. Tint color typically lasts up to four weeks. \$20

**Lash Tinting:** Eyelash Tinting is great for darkening the eyelashes so that they appear longer and thicker! All tinting services are performed by our professionally trained and licensed staff. Tint color typically lasts up to four weeks. \$25
